IMPORTANT-YOU MUST READ AND AGREE

Locating assets is an art, and debtors do not always keep business hours. We realize it may be inconvenient to receive a phone call at 2 a.m. (not in all cases) that we have located your vehicle, but we can not predict when and how your car will be found. If we locate your vehicle and notify the 24 hour number provided, it is YOUR obligation to have YOUR repossession agent recover the car. If the agent arrives at the designated location within 2 hours and the car is not there, our agents will continue to work the file at no additional charge. If we do not get a response within 2 hours of our notification call, we have to charge our fee and close the file. We realize this requires some work on your side, but it would be impossible to have a skilled investigator in every city with a tow truck at the ready.

The moment this document is signed, no matter how the car is recovered (impounded, wrecked, or vandalized) or who recovers it (police, your repo man, or others) over the next 60 days; we will charge our fee to you. If you wish to take the file back after 60 days you may request it back by calling our service center at 1-800-650-5118. Locates are non-cancellable for 60 days.

I agree that I am the authorized representative of the lien holder on the above described vehicle and that the vehicle is currently in an unpaid or past due status. I authorize all legal means necessary to effectively locate the vehicle and agree to pay the full \$500.00 fee upon receipt of location information. No representations are made as to the timeliness of the locate.

Personal Guarantee

Additionally, I personally guarantee the amount due to Marauder Corp dba Bill Collector In A Box upon location of the lien holders asset according to the terms above. The lien holders' failure to pay will result in collection action against both the lien holder and the signor below. We always recommend the owner or Officer of the lien holder sign this document rather than an employee.
